**BUDGET NARRATIVE**

**FY 24**

*Complete this form electronically! Be clear and concise!*

Department: Forest Warden Submitted by: Richard Sawin

1. Please describe and provide the rationale for any notable changes in your FY24 budget request.

No changes are planned at this time.

2. To this point in FY23, have you enhanced or expanded the programs and services you provide, or implemented new tools or technology that you'd like the Finance Committee and Selectboard to know about? Please describe.

No changes made.

3. Are there presently challenges to your department's ability to meet its goals and requirements due to its FY23 operating budget? If so, offer any your recommendations you may have for improving the situation in FY24.

No real challenges that that prevents the department from making its goal.

4. Did you receive funding for any special articles in FY22 or FY23? Please list them and share the current status of those expenditures/projects.

No special funding was received .
